

School Council Newsletter

Dear Parents and Carers,
We were elected by pupils in our classes to represent them in our School Council.
We have been busy this half term listening to pupil voice. We would like to share with you some of the things we have been doing...
Thank you
Heathfield School Council

Thank you!

Thank you for supporting us with our charity work.

Already, we have supported Children in Need. Thanks to your generosity, we donated £575.91 to the appeal through selling Pudsey bands and holding a Pyjama Party.

This Christmas, thanks to your contributions, we were able to give our local Bestwood and Bulwell foodbank food donations. They rely on the local community for support and have given away 2,795 three-day emergency food supplies last year.

P6P Council

Khadeeja and Ali were elected from School Council to be the P6P Council representatives (Primary 6 Partnership). They work alongside other councillors from Old Basford, Ambleside, Hempshill Hall and Rosslyn Park Primary Schools. Together, they are undertaking a collaborative project focussing on being PROUD. Already, they have led assemblies and created fantastic resources for the celebrations. PROUD was launched in the first term, called 'PROUD to be me'. 'PROUD of our School' and 'PROUD of our Community' will follow. Thank you for those of you who have responded to their letters giving ideas and offering support in these projects. Already, seeds and plant expertise have been offered. Watch this space for more information!

Plans for 2016-2017

- Red Nose Day fundraising
- PROUD celebrations including 'Proud of our School' and 'Proud of our Community'
- Being part of the 'Big Tent Project' by designing and creating a panel- displaying it proudly in the city.

'You Said, We Did'

*Pupils asked for...
Colour coded footballs to play with at break times for their year group.*

*We did!
School Council bought them!*

Primary Parliament

Year 5 School Councillors take part in **Primary Parliament**. They visited the Council House in November for the Primary Parliament focussing on Education, Work and Training. They will talk further to School Council about how to action their fantastic ideas. We had a lovely message from Natalie Deacon (Programme Officer-Children and Young People's Mental Health and Wellbeing) who attended the event: *"I attended the primary Parliament event at the Council House on Friday 25th November and just wanted to say what a pleasure it was meeting your two school council representatives. The children were extremely well mannered, intelligent and had some really interesting ideas on projects they could continue at school. I was really impressed with them both and just wanted to say they are a credit to Heathfield Primary."*
