HEATHFIELD NEWS

12TH JANUARY 2018 KERSALL DRIVE CAMPUS

Attendance for the week before Christmas was %.

If your child is too poorly to attend please let us know on the first day of absence on 0115 9794304

There are children who had 100% attendance during the last week of term - Well Done

<u>Welcome Back:</u> The children have settled back into the routines of school very well despite the cold, miserable weather. Thank you to all of you who are making it to school and through the gates on time. Punctuality is very important for the children as they are more settled into their learning if they arrive on time. Important Phonics and grammar sessions take place first thing every morning and we are seeing that the children who are in every day and on time are making better progress in their Reading and Writing. Your co-operation with this is appreciated.

INSET DAY: Next Friday 19th January, school is closed to pupils as it is a staff training day. School will reopen on Monday 22nd January as normal. Our final INSET day will be Monday 11th June.

<u>Applications for Primary School places starting September 2018.</u> The deadline for all applications to Nottingham City Council for a school place in September is **Monday 15th January**. Please see Mrs Gibbs or the office if you need any help or advice. This applies for all children who will turn 5 between September 2018 and August 2019 (some of our current Nursery children)

<u>Menu Change:</u> There will be a change to our menu for one day on Thursday 18th January. Notices will be put in the outside boards and the full menu will be sent out on Monday to everyone.

It would be lovely to see as many children as possible take part in this. The cost for the meal will be £1.95 unless your child is in KS1 or entitled to Free School Meals.

<u>Save the Children:</u> Our Save the Children Christmas Jumper Day that we had on the last day of term raised £270.50 across both campus. Thank you for your donations towards this.

Year 1, 2, 3 and 4 Recycling Robot Club: Mr Leivers will be starting a Year 1, 2, 3 and 4 after school recycling robot club. This will run for approximately 9 weeks every Thursday between 3.15pm and 4.15pm during term time and will start on Thursday 18th January. Children will have the opportunity to dismantle old pieces of technology to then design and build their own robot using the bits and pieces. Once the children have built their robots, they will be exhibited for other children and parents to see.

Please sign and return the attached slip if you agree to your child taking part. Should we receive too many reply slips, we shall draw names out of a hat to ensure it is fair for all children.

Year 2, 3 and 4 Netball Club: Miss Parmiter will be starting a Year 2, 3 and 4 after school netball club. This will start on Monday 22nd January between 3.15pm – 4.15pm. Children will need to have their PE kit and a jumper as this club will be outside. Please sign and return the attached slip if you agree to your child taking part. Should we receive too many reply slips, we shall draw names out of a hat to ensure it is fair for all children.

<u>Midday Supervisor Vacancies:</u> We currently have three Midday Supervisor vacancies. If you or anyone you know is interested in these positions please collect an application form from either school office. Completed application forms should be returned to the school office no later than Thursday 14th December.
