Good Luck Year Six: I would like to take this opportunity to wish our Y6 pupils all the very best with their SATs next week. Once again, we are very proud of our Y6 cohort. They are fine ambassadors of all that Heathfield represents. Their attitudes to learning and exemplary behaviours throughout the year have served them well and I sincerely hope that they feel confident about next week's challenges, and feel well-prepared to showcase their impressive progress and attainment during their learning journey at Heathfield.

Improved text messaging system – and you can help the school save money: We like to send information to parents via text message to your mobile phone. A free, smartphone app for parents is available for download called 'School Gateway' for Apple (iOS 8 on the iPhone 4S or later, iPad, iPod Touch) and Android (4.0 / Ice Cream Sandwich or later) devices.

Please could you download this new app to your phone (it's free) as it will help us improve communication with parents – and save the school money. The set-up process is simple and will take no more than a couple of minutes:

1. Search for "School Gateway" in the Apple App Store/Google Play or on your phone go to www.schoolgateway.com/apple (Apple) or www.schoolgateway.com/android (Android)
2. Install the app and if you are asked then say yes to "Allow Push Notifications"
3. When you launch School Gateway for the first time, please select 'New User' and enter the email address and mobile telephone number you have registered with the school
4. The system will send a PIN code to your phone; please enter this PIN code and the app will be activated for you.

As soon as you've got the system set-up, all of the text messages we send you will appear in the app; you'll receive notifications/alerts as normal.

To ensure that this system works as well as it can please could we ask that you update us with your mobile telephone number and email address. Please complete the attached slip and return to the school office no later than Wednesday 15th May so we can update our system. We will be sending an email reminder about the app before May half-term. Thank you.
