**Foxes, Badgers and Hares Trip:** A reminder that this term the children in Key Stage One will be visiting Yorkshire Wildlife Park as part of their continuing Science work linked to different types of animals, their characteristics and their habitats. The trip will take place on **Tuesday 2<sup>nd</sup> July** and travel will be by double decker bus.

**We are asking for a voluntary contribution of £4:00**, as the rest of the £7:50 admission fee and £8:00 travel expenses per child will be paid by school funds from the money raised by fund-raising activities. Each class will need three parent volunteers to support our trip and ensure we have a ratio of one adult to six children. Please let your child's teacher know if you are able to do so.

Kind regards,

Key Stage One Teachers

**Family Maths Quiz:** On **Thursday 4<sup>th</sup> July**, straight after school, we are going to be hosting our first **FAMILY MATHS QUIZ** with the aim of adults and children coming together to show you adults how amazing Heathfield children are at maths! The focus is on having fun and spending some quality time together experiencing the kind of things your children do in their maths sessions each day. The quiz will run in the main hall and

will include rounds such as a picture round and a times table round - something for everyone. I hope that you will see why children across school love maths and believe in themselves to succeed with it!

The quiz will start at around 3:40pm so children and parents/carers can come straight in to the hall and should not last more than an hour. There will be a prize for the winning team and some spot prizes on the night. Refreshments will be provided.

If you are interested in coming along to the quiz night, please complete the slip below with your Child/Children's name(s) and how many people you will be having in your team by **Friday 21<sup>st</sup> June 2019**. Please feel free to join up with other adults and children but can we please put a limit of **8** people per team to allow for space in the hall and tables will be allocated on a first come, first serve basis.

We look forward to seeing lots of you there, thanks for your continued support,  
*Miss Shaw (Year 5/6 teacher & Maths Subject Leader)*
