Please make sure that you download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). If you do not have a smartphone you can still pay online via the website www.schoolgateway.com The app shows the same information as the website PLUS it saves the school the cost of a text message. **Please follow the following instructions to register and receive your PIN.**

If you are unable to register it may be because your details do not match those we have on file for you therefore please contact the school office who will check your details with you. Thank you.

Polite Request about lost property: Please ensure your child's belongings are named – this includes lunchboxes, water bottles, coats, PE kits and uniform. There is nothing more frustrating as a parent than to have things go missing that your child needs for school. However, this frustration is shared by school when we are asked to locate missing items which all look the same. The children are reminded regularly about where to put their belongings and are reminded at the end of the day to take everything home however this is still an issue which can be solved simply with a good permanent marker pen. Please help us as the amount of lost property is increasing each day. Thank You!
