Inset Day: Tomorrow, Friday 24th January is an inset day. School will be closed to all pupils.

EYFS: Dolphins and Seahorses are having a Parent Workshop next Tuesday, the 28th February at 9:00am. Seahorses will be showing parents a 'Squiggle While you Wiggle' session which acts as a precursor to handwriting patterns. Dolphins will be writing postcards about their Jungle day experience. We hope to see lots of you there!

Head lice: At the moment we have issues throughout the school with head lice. If all children are checked for any signs of head lice, including any eggs and treated then we will hopefully start next week 'nit free'. Lice are usually found around the hairline or at the roots of the hair – they can make your child very itchy and uncomfortable. Head lice treatment is very effective and can be obtained from chemists and supermarkets. Using the metal combs and conditioner is also a way to remove live head lice but this may not always clear the hair fully of the eggs. We recommend that long hair is tied up to help prevent the spreading of head lice and that hair is checked daily.

Midday Supervisor Vacancies: We have four Midday Supervisor vacancies to work one hour and 25 minutes per day at our Kersall Drive Campus. If you or anyone you know is interested in these, please collect an application form from the school office as soon as possible. Thank you.

School Facebook page: Thank you to everyone who has asked to sign up to our school Facebook page. This page has been created to enable us to share information with parents and carers of current pupils. It is a closed group, so parents/carers will need to request to join. Please remember that if you do request to join this group your request will only be approved if you answer the three questions asked. Visit facebook.com/groups/HeathfieldPrimary/ or use the QR code to the right.

Scan the QR code with your phone camera or via a QR reader app to find the link.

School Disco: Our Spring Disco will be on **Thursday 27th February**, further details will be in next week's newsletter. Payment for this will need to be made using the School Gateway app so if you have yet to download this, now would be the perfect time.

Smart Watches: Please can parents/carers be aware that smart watches are not allowed in school. These are classed as any watches that can record images, sound or video or are able to connect to the internet.

School Gateway App: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). If you do not have a smartphone, you can still pay online via the website www.schoolgateway.com. The app shows the same information as the website PLUS it saves the school the cost of a text message.
