

Today we're
doing...

Early Years

Can you create a story box?

What is it?

A story box is a miniature setting, a shoe box sized stage with a background and objects within it relating to either a specific book, or to a common story scenario.

Why do it?

To encourage the exploration of stories, retell them and create them.

You can create characters to play in your story box, retell your favourite stories or even create your own story.

Year 1 & 2

Willy Wonka's Birthday Party

Create a magical birthday party based on the wonderfully whacky story of Charlie and the Chocolate Factory

1. Design and make a golden ticket for invitation

2. Design your own whacky cake – does it have popping candy, marshmallows that make you fly?
3. Make some healthy party food (fruit kebabs, homemade pizza, sandwiches)
4. Create some wonderful decorations for your table and room.

Celebrate with your family

Year 3 & 4

Design and make a healthy pizza

When thinking of a balanced diet, we need to eat around 5 fruits and vegetables a day. **How many vegetables can you fit on one pizza?**

Can you design your pizza first thinking carefully about colour, texture and taste.

Follow the instructions carefully to make your own pizza dough. If you do not have the correct ingredients, you could use pitta breads instead.

Year 5 & 6

Research Asian cuisine and create a menu including some of your favourite recipes. You could think of a starter, main course and a dessert.

OR

Design and make your own sushi recipe thinking about the colour and texture.
