

Bright Ideas 7

w.c.4th May 2020

Jungle animals

Hello! Hope you are all keeping well. This week our bright ideas sheet is all about jungle animals.

When we did our jungle day we spent a lot of time listening to the song **Walking Through the Jungle**.

Here is a different version of the song <https://www.youtube.com/watch?v=plvYOquSyJg>

Can the children think of some actions to go with each verse and maybe have a go at making up their very own verse using a different place and animal?

Red words

Can you practise reading and writing these red words this week?

they

who

them

was

Numbers

Find some stones outside, can you make different shapes using them?

Can you create a shape picture (maybe of a jungle animal) and tell a grown up which 2D shapes you have used?

Writing

Can you have a go at pretending you are a jungle explorer, imagine you are lost in the jungle and you need to draw a map to send to your friends to help you get out. Have a go at labelling all the things you can see.

Physical

Can you have a go at making your own obstacle course? You could use sticks to go over or under, try crawling through chairs and try using cushions to balance on your head. If you don't have anything to hand, think of different ways of moving around your space like different types of animals (slither like a snake, pounce like a tiger).

Reading

If you have any books about animals at home then have a go at reading them, or maybe just a book with an animal in, like the tiger who came to tea or the Gruffalo. See if you can spot any of the red words from this week's bright ideas in the stories and make a record of how many you were able to find.

Creative

Can you have a go at making different animals using play dough, maybe you could look outside and find some leaves, sticks, stones etc for the legs, ears, or various other body parts. We would love to see some pictures, so don't forget to send it to your class email address: octopus@heathfield.nottingham.sch.uk, turtles@heathfield.nottingham.sch.uk or dolphins@heathfield.nottingham.sch.uk

Weather

Hello! Hope you are all keeping well. This week our bright ideas sheet is all about the weather. Listen to the weather song, can you think of the way different types of weather makes you feel?

Weather Song

<https://www.youtube.com/watch?v=tfAB4BXSHOA>

Red words

Can you practise reading and writing these red words this week?

what

how

when

where

Numbers

Collect clean containers to take in the bath. Work out which ones can hold the most water, did it surprise you which had that greatest amount?

Writing

Create a weather diary, starting with Monday record the different weathers you see/how you feel.

'I can see.....' 'I feel.....' 'Today it is.....'

Creative

Can you have a go at making your own weather display with labels. Present it to your family and act it out as if you are a weather person on the tv.

Reading

Match the words to the pictures, look out for those set 2 special friends

Rain snow wind sun fog

Physical

Ask your grown up to play some different types of music, think of different ways you could move your bodies? Is it slow and calm, is it fast and upbeat? See if you could bend your bodies like we do in PE, what different shapes can you make?
