# Telling the Time

## O'Clock

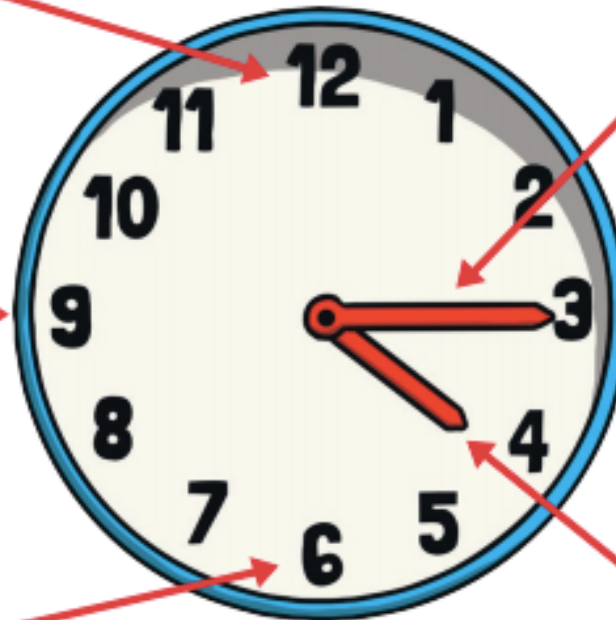

A new hour begins when the minute hand points to 12.

## Quarter To

45 minutes into the hour and 15 minutes before a new hour begins.

## Half Past

30 minutes into the hour.  
30 is half of 60.

## Minute Hand

The long hand points to the minutes past or to the hour.

## Quarter Past

15 minutes into the hour.  
15 is one quarter of 60.

## Hour Hand

The short hand points to the hour. If this hand is pointing in between hours, it is the earlier hour of the two.
