

HEATHFIELD NEWS

10TH JULY 2020

KERSALL DRIVE CAMPUS

The last day of term will be on Thursday 23rd July. School will remain closed throughout the Summer holidays. School reports will be sent out today with a welcome letter from your child's new class teacher and you will receive a text message on Monday with details of Zoom meetings that are taking place next week.

Rainbow Club: This week the children have been looking at Fairy Tales and Traditional Stories and have been creative making various props to help remember the story. As a treat this afternoon they got to watch Shrek to see how all of the fairy tales are referenced through the film.

The children in Rainbow Club continue to have excellent behaviour and follow our safety rules very well. They will be brilliant at helping their classmates to remember these rules once all children come back to school in September.

Foundation 2 children: Our youngest children continue to enjoy their learning in their little bubbles, reading and sharing stories and play activities. They have been reading *The Blue Balloon* and have also been sprucing up the outdoor area by painting one of the sheds!

Year 1: Have been focusing on writing skills this week and ensuring spellings and high frequency words are correct in their work. Both Miss Hampson and Mrs Fisher have been delighted with their work. The children have also been enjoying a day of outdoor learning today after all of the rain we have had this week. Fingers crossed for sunnier weather for the last couple of weeks of term!

Year 5: The children have been reading *Cogheart* in class this week and created some nice writing and art work. Miss Parmiter has been teaching them how to play cricket and they have developed a good understanding of the rules and tactics. They have also been racing homemade cars along the empty corridors this afternoon! F1 engineers for the future!

Re-opening of School in September: The Government announced last week that schools will reopen to all pupils in September. The Senior Leadership Team are working hard to ensure that all the necessary risk assessments, plans and timetables are in place to enable this to happen safely for all staff and children.

Before the end of term we will be sending information out about the changes we need to make to meet Health and Safety requirements. If you receive any texts with links to videos, questionnaires or letters please take time to read them as all of the information you will need to know and the guidelines to follow on site will be explained to you. Our school website will also be a good place to refer to if you feel like you have missed anything.

We carried out a survey this week to gain feedback from parents/carers whose children have been in school in some capacity since 23rd March. We were overwhelmed by the positive feedback and will take ideas into account whilst planning for September. Thank you to you all for supporting school during this time.

Communication: We work hard to ensure parents/carers are informed as soon as possible regarding anything to do with school. We use a text messaging service to make quick announcements and have been using this method as a way of sending letters to you during recent months. If you have not received any texts recently, it may be because we do not have your current phone number. Please contact school as soon as possible if you need to update any of your contact details.

Stop the germs: Please could parents remind their children of the importance of good hygiene routines. There are some great handwashing videos on YouTube that use song and rhyme to encourage children to stay germ free.

Encourage your child to wash their hands with soap and warm water for 20 seconds:

- ✓ before leaving home
- ✓ after using the toilet
- ✓ after breaks and sporting activities
- ✓ before food preparation
- ✓ before eating any food, including snacks
- ✓ on arrival at home

New Menus: When we return to school in September we will have a new menu which is attached below. As we return to school on the 2nd September we will begin with **Week 1**.

The price of a school meal is currently £2.15 per meal meaning the weekly cost is £10.75.

Children who are in Reception and KS1 from September will get the Universal Free School Meal entitlement. This is currently available to them until the end of Year 2.

Children who are in years 3, 4, 5 and 6 from September, unless entitled to Free School Meals, will need to pay for school dinners using the school gateway app. If you have a smartphone, please download School Gateway from your app store (Android and iPhone). If you do not have a smartphone you can still pay online via the website www.schoolgateway.com

We have always endeavoured to make our parents and carers aware that they may be able to claim FREE school meals. Please see the office if you would like a form to complete.

REMINDER: All children in school must have a named water bottle with them and if the sun is out and the weather is warm they will also need a sunhat and sun cream either applied before the start of the day or with them which the child must be able to apply to themselves.

Heathfield Primary & Nursery School – KS1 Autumn Menu

Reception, Year 1 and Year 2

Week One Dates: 31/8/20 – 21/9/20 – 12/10/20 – 16/11/20 – 7/12/20
