

HEATHFIELD NEWS

28TH SEPTEMBER 2020

KERSALL DRIVE CAMPUS

Thank You: It has been another successful week for the drop-off and collection of children and the movement around our one-way system. By now all families are familiar with the expectations and these are being met by all parents. We appreciate you ensuring that you maintain your social distance from other families on your way into school and the new markings on the path have helped to reinforce this. If you would like to speak to your child's teacher about anything then call the office and they will ask the teacher to call you back at a convenient time or email them using the class email address.

You may also need to contact the following members of the leadership team:

Phase Leaders:

EYFS (F1/F2) - **Mrs West** in Octopus Class
KS1 (Y1/2) – **Mrs Precious** in Rabbits Class
LKS2 (Y3/4) **Mrs Abasspour** in Pelicans Class

Assistant Headteacher:

UKS2 (Y5/6) – **Mr Battison** in Leopards Class

Head of School:

Miss Dickens is usually at the gate in the morning and home-time so you can always speak to her although she will not be able to access classrooms so will pass any messages to the teacher or phase leader to deal with.

Year 5/6 Area Band membership: If your child is continuing with instrument lessons and would like to be part of the Robin Hood Youth Orchestra Area Band, the first session is this week via a virtual meeting. Please sign them up before tomorrow. The letter can be accessed here

Devices for home learning: If you haven't already, please could you take a minute to answer some

very quick questions about the devices that your children have at home that could be used for home learning. Please complete a separate form for each child. You can find the survey here: <https://bit.ly/2RNqbeK> or by scanning the QR code with your phone's camera.

Friday Afternoon Rainbow Club Sign up: Please use this link to sign up your child/children to Rainbow Club on **Friday 2nd October** <https://rb.gy/zoqrnp>
This form must be completed every week if a place is required.

This club is only open to single parent/carer working families or families where both parent/carers work on a Friday afternoon. For your child to remain at school on a Friday afternoon in our Phase Rainbow Clubs, we need to see proof that you have to work and do not have alternative childcare.

The children in the Phase Rainbow Clubs will have opportunity to do homework, read with an adult to get a stamp on their Rainbow Reading cards as well as a variety of other craft activities, games and sports. School will remain open for staff and the Afterschool Club will run as normal until 6pm.

You will have the option to collect your child from Rainbow Club at 2pm or 3:30pm only.

REMINDER Flu Vaccination – Thursday 12th November: Please make sure that you have completed the online form by Wednesday 30th September. *Even if you do not want your child to be vaccinated please complete the form to let the immunisation team know.* The code for the Kersall Drive Campus is **NG122442K**

Please email sais@nottshc.nhs.uk if you have any problems or questions and include your contact details.

Test & Trace: Please follow the link to access the letter from the NHS regarding Test and Trace: <http://bitly.ws/9Py5> This was sent home last week so this is just a reminder.

CHECK IF YOU OR YOUR CHILD HAS CORONAVIRUS SYMPTOMS

If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result.

MAIN SYMPTOMS

The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

WHAT TO DO IF YOU HAVE SYMPTOMS

If you have any of the main symptoms of coronavirus:

1. Get a test to check if you have coronavirus as soon as possible.
2. Stay at home and do not have visitors until you get your test result – only leave your home to have a test.

Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result.

Any child who is sent home from school exhibiting one or more of these symptoms should seek to get a test as soon as possible. The rest of the bubble can remain at school until notification is received of a positive Covid-19 test result. Thank you for your co-operation.

Themed Menu for Thursday 1st October:

As Goose Fair has been cancelled this year we thought we would still have a special Fun Fair themed menu at school this Thursday. Please see below for the choices.
