### **Getting started with the SIMS Parent Lite App**

2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent Lite**
4. From a PC or Windows phone, login online at [www.sims-parent.co.uk](http://www.sims-parent.co.uk)

**REMINDER:** During the Autumn term we will be operating a staggered start and finish to the day to avoid large gatherings on the playground.

**Please remember only 1 parent/carer per family may come onto the premises.**

**Parking on Scotland Road and the surrounding area:** Please can all parents and carers respect the parking restrictions on the roads around school as those who don't are at risk of damaging the school's relationship with our neighbours. We appreciate that everyone leads very busy lives however adding two minutes to your journey in the morning and at the end of the day by parking slightly further away in a designated parking space will ease the congestion around school, appease local residents and keep the area safe for our pupils.

Due to a recent lack of consideration we will be asking parking services to support us in targeting those who are being inconsiderate and irresponsible

**Being Prepared:** On Monday your child will bring home a work book and pencil. These items are to be kept for use in the event that your child's bubble has to close. Work would then be sent through to you electronically to be completed in the work books. We are expecting all of the bubbles to be open next week but we would like to be prepared for the future.

**Flu Vaccination:** Attached is a letter about the flu vaccination which has been booked in for the morning of **Thursday 12<sup>th</sup> November**. Autumn / Winter 2020 – 2021

Dear Parent/Guardian,

**It is time for your child's yearly flu vaccination!**

School Years: Reception, 1, 2, 3, 4, 5 & 6 (children born between 01.09.2009 and 31.08.2016)

#### Why get your child vaccinated?

It helps keep your child safe from flu. Flu can be a nasty illness and sometimes causes really serious problems. It is a quick and simple nose spray that works the same as a flu jab.

Giving your child the flu spray will stop the spread. This will help keep friends and family safe. Older people and those with illnesses are most at risk if they catch flu from children.

It is free for your child. Flu changes so even if they had it last year they need it again this year.

[www.nhs.uk/child-flu](http://www.nhs.uk/child-flu) has more information and tells you which children need the flu jab instead of the nose spray.

#### How do you let us know you want your child to have the flu vaccination?

Please fill in one online consent form for each child here ...

<https://www.nottinghamshireimmunisations.co.uk/Forms/Flu>

The code for your child's school is NG122442S

Please fill it in by **30<sup>th</sup> September 2020** to ensure your child gets vaccinated.  
*Even if you do not want your child to be vaccinated please complete the form to let us know.*  
The childhood flu programme runs until December 2020.

#### What if my child is absent?

If your child is away from school on the day, please contact us to book a clinic appointment. This vaccine is not offered by your GP unless your child is in an at risk group.

If your child becomes wheezy, has a bad attack of asthma, or has started steroid tablets for asthma after you return this form, please contact the School Aged Immunisation Service.

**If your child has this vaccination anywhere else, let the team know to stop them getting it again.**

Please email [sais@nottshc.nhs.uk](mailto:sais@nottshc.nhs.uk) if you have any problems or questions and include your contact details, the team will be happy to help.

Yours sincerely

School Aged Immunisation Service
