

Attendance for the whole school for last week was **95.7%**

If your child is too poorly to attend please let us know on the first day of absence on 0115 9155725
Green is good! – Let's make sure all our classes this academic year are in the green and hit our target of 96.5% or above

Seahorses 94.2%		Dolphins 97.3%	Foxes 95.1%	Badgers 97.8%	Hares 97%
Flamingos 97.9%	Toucans 97.5%	Parrots 95.1%	Lions 91.5%	Tigers 91.5%	Jaguars 95.3%

Congratulations to the Badgers who achieved 97.8% attendance and have won £9.78 for their class money bank!

Sports Days: Due to the current situation around covid we will be holding out sports days in school and unfortunately will not be allowing families to come and watch this year. Children will take part on their allocated year groups' day to ensure bubbles are maintained.

- Tuesday 6th July – Year 5 and 6 (Tigers, Jaguars and Lions)
- Wednesday 7th July – Year 3 and 4 (Flamingos, Toucans and Parrots)

Please make sure that children come to school on their Sports Day in full school PE kit and have a bottle for water and sunhat/sun cream should the weather be warm.

Positive Mental Health and Well-Being at Heathfield

Six Ways To Well-Being

- Connect
- Be Active
- Take Notice
- Give
- Keep Learning
- Care

This half term we are focusing on the well-being area of **Care**

Self-care means doing something positive and helpful for yourself and it doesn't have to be complicated or expensive. Reserving a few minutes to yourself each day to read a book, take a bath, go for a run or play in the park is a great start in making sure you are taking care of yourself. In the long run, self-care rituals like these will help you better tackle whatever life brings you next.

Some of this week's well-being activities includes 'Taking Good Care of Myself' and a YouTube clip looking at the importance of taking care of ourselves.

[Missy Moo Well-Being Take Care 4 - YouTube](#)

Taking Good Care of Myself!

List all the things you do to look after yourself

- Favourite Healthy foods to eat
- Movement, play and exercise
- Rest and relaxation
- Things to help me fall asleep

Your child should have brought their school photograph proof home yesterday. If you would like to place an order you may do so online@www.braiswick.co.uk/orders or bring your order to the office by Friday 8th July at the latest.

Polite Request: Please ensure that you do not send your child to school with products containing nuts. We have a number of children with severe nut allergies which means we must keep Heathfield Primary a **NUT FREE ZONE**.

School Rule: We always want to make sure our school rules retain a high profile around school so it would be great if you could take a couple of minutes to talk through the rules with your child to make sure they are clear on their meaning:

- Do as you are asked the first time.
- Put your hand up if you want to speak.
- Keep your hands, feet and hurtful comments to yourself
- Listen carefully and with respect.
- Do your best at all times.
- Respect other people's property.

Coloured Slips: It has been great to see so many children going home with gold (yellow) and green slips and we thought it was important to remind pupils and parents/carers as to why we give out the slips. If you see your child with a slip, please talk to them about why they have got it

Slip Colour	Reason
Gold	My behaviour is always fantastic but I've done something really great
Green	I've tried really hard, done something great or improved my behaviour
Orange	I've not followed our school rules and missed some or all of my break
Red	I've repeatedly not followed the school rules or done something really serious

Dolphins Dance Club: From next week the Dolphins afterschool dance club will move from Tuesdays to Wednesdays due to staff commitments. The next dance club will run on Wednesday 7th July.

All pupils are expected to achieve the attendance target of at least 97%

Attendance Matters

In School Every Day on Time!

Attendance

- All pupils are expected to attend school every day that it is open
- Parents need to inform school of their child's absence by 9.20am
- If school has not been informed of the reason of a child's absence, then the absence will be recorded as unauthorised
- If a child is absent for 3 or more days, an attendance lead may carry out a home visit

Families taking a holiday during term time are at risk of legal action and/or a Penalty Notice being issued

- **The Education (Pupil Registration) (England) (Amendment) Regulations 2013** state that schools can no longer grant any leave of absence during term time **unless there are exceptional circumstances**
- Holidays do not fit into the criteria of an exceptional circumstance
- There are 13 weeks within the academic year that children do not attend school; it is the expectation that holidays, family visits/gatherings and appointments are booked within these periods
- It is the school's policy that holidays and time off to visit family during term time is recorded as unauthorised and this is the view of the Full Governing Body
- Leave of absence requests to attend a family wedding will only be granted for the day of the ceremony

Poor attendance is considered a safeguarding concern.

Please help us to get all pupils into school very day and on time!

Warm weather guidance: Children should have a **WATER** (NOT juice) bottle with them in school as drinking fountains remain turned off. Children should also have a hat and be protected by sun cream. If the weather turns hot and sunny and your child is not suitably protected from the sun, they will not be able to go out to play especially over the long lunchtime break for their safety.

Effort Score Badges: At Heathfield all children's work is awarded an effort score by their class teacher or the person providing feedback. This is a score of 1 to 5, based on the child's individual ability, to show how much effort they have put into the piece, with 1 being the lowest (this doesn't happen very often) and 5 being the highest. Children who really push themselves to produce the best work they possibly can are awarded a 5 and can then take their work to Mr Hicks and choose one of our prestigious '5 for Effort' badges, that have been designed by the pupils. They can then wear these on their uniform to show everyone how hard they have worked.

It would be great if you could talk to your child about their effort scores to find out how they are doing in class, especially if they have been awarded a badge, and to discuss what they could do to improve their scores.

Friday Afternoon Rainbow Club Signup: Please use this link to sign up your child/children to Rainbow Club on **Friday 9th July:** <https://bit.ly/368kXBo>

This club is only open to single parent/carer working families or families where both parent/carers work on a Friday afternoon. Evidence will be required if it has not already been given.

If required this form must be completed by 2pm on Thursday afternoon.

Club available for ages 5-12

EU settlement Scheme – Information from the Government Home Office: With the EU Settlement Scheme (EUSS) application deadline (30th June) fast approaching, the Home Office would like to remind parents, families, young people and staff that if you are an EU, EEA or Swiss citizen, you and your family members may be eligible to apply to the Settlement Scheme.

It is crucial that eligible parents apply to the Scheme yourselves and check whether you need to do so on behalf of your children. Eligible children are required to have an application in their own right and no child of any age is covered by a parent's application to the EUSS. There's [more information on this here on GOV.UK](#).

To provide additional guidance, a very clear EUSS [leaflet](#) has been produced by the University of Liverpool, in partnership with the Home Office. It has been designed with children in mind and is intended to support both children and parents with information to help them apply to the EUSS. A set of accompanying [FAQs](#) are available too. A list of organisations providing additional EUSS guidance and information is available [here](#).

Applications to the EUSS are free and can be made online at www.gov.uk/eusettlementscheme, where you can also find out more information about how to apply. This is not something which can be done through school.

COVID-19 INFORMATION:

There remains a risk of Covid 19 closing bubbles in school. We continue to follow strict risk assessments and ask that you please take note of the following points which will help to protect the children and staff.

IMPORTANT! Please let school know if anyone in your household is self-isolating or has had a positive Covid test result using covidreporting@heathfield.nottingham.sch.uk so we can track and trace any close contacts or close a bubble as necessary.

The Prime Minister announced an extension to restrictions until at least 19th July. We will still be in bubbles until the end of term and it has not yet been advised if this will be the case in September. We hope not but know that we have good systems to minimise risk in school.

We need parents to ensure that if you or your child have any symptoms that a PCR test is done to enable school to make the appropriate decisions on class closures.

ALL absence should be reported to school. You can leave a message on the answer phone, call the office during school hours, or email the school at admin@heathfield.nottingham.sch.uk or use the covid email address above.

If you are travelling outside of the UK over the school holidays, please consider the implication of any quarantine affecting your ability to comply with statutory school attendance. Please inform the school office if you are leaving the UK so we are able to advise on leave of absence forms and implication for return dates.
