Reception to Year 6 Flu Vaccinations – Thursday 11th November:

It is now time for your child's yearly flu nasal spray! The free seasonal flu spray is offered to all children and young people in Reception and Year 1-Year 6 classes. Even if your child received this last year it is recommended, they have it again this year or they won't be protected. With COVID-19 in circulation it is more important than ever to reduce the number of those becoming ill with flu this winter to help protect them and the NHS.

You must complete one online consent form for each of your children. It is important every child has a completed form which states if you would like them to receive the flu vaccination spray or not. The online consent form can be found through this link <https://www.nottinghamshireimmunisations.co.uk/Forms/Flu> or by scanning this code
The school code for Scotland Road Campus is NG122442S

If you decide you want to withdraw consent you must email sais@nottshc.nhs.uk no later than Tuesday 9th November. The nasal spray may not be suitable for some children, for more information visit www.nhs.uk/child-flu or pick up a leaflet from the school office. If you have any questions or need support to complete the consent form, please contact 07920182032 or email sais@nottshc.nhs.uk

KS1 Wheels Day

On Thursday 14th October 2021 KS1 (Badgers, Foxes and Hares) will be having a wheels day to celebrate the end of our topic 'Are We There Yet?'

This topic has had a transport theme and we would like to invite the children to bring a form of **MOVING** with them such as a bike, scooter, roller skates, skateboard etc.

Children will also need appropriate safety gear such as a helmet and possibly knee and elbow pads!

Throughout the day they will have the opportunity to travel along and through different obstacle courses.

Friday Afternoon Rainbow Club: If you believe that your child is eligible to attend Rainbow Club on Friday afternoons and you would like to reserve a place, please contact the school office.

Year 5 & 6 Children Walking Home Alone: At Heathfield we give parents/carers of children, in Year 5 & 6, the option to let their children walk home alone at the end of the school day, without younger siblings. If you would like to give your consent for your child to walk home alone for certain days or the whole week, please complete this form. <https://forms.office.com/r/Zy0hfaNHpB>

Holidays in Term Time Will Not Be Authorised

Families taking a holiday during term time are at risk of legal action and/or a Penalty Notice being issued

Attendance

Did you know that if your child's attendance falls below 90% the following actions are likely to happen...

- ✚ Text to inform you that your child's attendance is below 90%
- ✚ Letter to state the actions if your child's attendance continues to remain below 90%
- ✚ Telephone call from your child's class teacher, attendance lead or family support worker
- ✚ Telephone meeting with the Head of School
- ✚ Referral to Education Welfare Service

Please contact school on the first day of your child's absence, this prevents unnecessary texts or phone calls being made and avoids staff having to carry out a home visit.

Poor attendance is considered a safeguarding concern.

Please help us to get all pupils into school every day and on time!

Positive Mental Health and Well-Being at Heathfield

This half term we are focusing on our well-being area of

Connect

This week we have been talking about how we connect in play and how we can support each other at breaktimes by inviting others to join in with our play and games. Play is a fantastic way to connect with each other and even adults have fun when they join in with the kids.

We have even challenged our staff to play more!

Why not share with your children ideas of the games that you use to play as a child, set a play day where everyone gets to choose a game or an outdoor activity you can do as a family.

Covid protocols at Heathfield

We are being cautious as we reopen as we want to keep our children and staff as safe as possible while there is still a high risk of transmission in the community. Our protocols remain in place from last academic year. The only difference to the children is we are enabling teachers to set their rooms how they wish them to be rather than the older children having to sit in rows. This is encouraging social skills and friendships but will continue to be reviewed if we get any covid cases in school.

Please follow this link to see the protocol document. <https://bit.ly/3DLuQog>

The Local Authority has also issued a revised Covid 19 Risk Assessment detailing the control measures needed in school. Please read these relevant points carefully as they are for the benefit of the whole school community.

- Pupils, parents / carers and any visitors, such as suppliers, are informed not to enter the school if they are displaying any symptoms of coronavirus:
 - a new, continuous cough
 - **or** a high temperature
 - **or** has a loss of, or change in, their normal sense of taste or smell (anosmia)

Note: Although there are other symptoms associated with the Delta variant, these three symptoms are still only used in determining whether someone must self-isolate.

- if your child has symptoms, you must arrange for a PCR test and report the result to the school. In the event that you undertake an LFD test and the test result is negative, this **does not allow** them to return to school earlier than the 10-day self-isolation period allows.
- Parents, other over 16s and other eligible individuals in households are encouraged to access the vaccination programme
- The [latest NHS/PHE test and trace information](#) has been shared with parents.
- Self-isolation of close contacts will only be undertaken on advice from NHS Test and Trace where they are over 18 **and** have not received both vaccinations (applies from 16th August 2021).
- Parents/carers' drop-off and pick-up protocols that minimise adult to adult contact are in place. Parents/carers are instructed not to congregate in groups on, or directly outside the school premises
