## Holidays in Term Time Will Not Be Authorised

Families taking a holiday during term time are at risk of legal action and/or a Penalty Notice being issued

## Attendance

### Did you know that...

- + 1 day off in a school week will mean that your child has only achieved 80% attendance that week?
- + 5 days of absence in a 6-week half term means that your child has only achieved 83.4% for the half term!
- + Attendance below 90% means that your child is in the persistent absentee category and could result in a referral to the local authority for legal action to be considered!

Please contact school on the first day of your child's absence, this prevents unnecessary texts or phone calls being made and avoids staff having to carry out a home visit.

***Poor attendance is considered a safeguarding concern.***

Please help us to get all pupils into school every day and on time!

**Non-Uniform Day Competition:** To try and encourage as many parents as possible to read our newsletter, each week we will be adding a link, to a VERY quick survey, at the end of the newsletter. Once you have read the newsletter, click the link, add your name and click on your child/children's class. The class that has the highest percentage of parents/carers read the newsletter will win a non-uniform day the following Friday! Winner will be announced in Monday's assembly!

## Positive Mental Health and Well-Being at Heathfield

This half term we are focusing on our well-being area of

### Connect

This week we have been talking about connecting through kindness; that a simple act to help others not only makes them feel good but helps us to feel good too! This week we are encouraging our children to carry out random acts of kindness, from giving compliments, sharing a smile or helping out in the classroom or at home can really brighten up each other's day.

Let's connect and colour our world with kindness!

## Covid protocols at Heathfield

We are being cautious as we reopen as we want to keep our children and staff as safe as possible while there is still a high risk of transmission in the community. Our protocols remain in place from last academic year. The only difference to the children is we are enabling teachers to set their rooms how they wish them to be rather than the older children having to sit in rows. This is encouraging social skills and friendships but will continue to be reviewed if we get any covid cases in school.

Please follow this link to see the protocol document. <https://bit.ly/3DLuQog>

The Local Authority has also issued a revised Covid 19 Risk Assessment detailing the control measures needed in school. Please read these relevant points carefully as they are for the benefit of the whole school community.

- Pupils, parents / carers and any visitors, such as suppliers, are informed not to enter the school if they are displaying any symptoms of coronavirus:
  - a new, continuous cough
  - **or** a high temperature
  - **or** has a loss of, or change in, their normal sense of taste or smell (anosmia)

Note: Although there are other symptoms associated with the Delta variant, these three symptoms are still only used in determining whether someone must self-isolate.

- if your child has symptoms, you must arrange for a PCR test and report the result to the school. In the event that you undertake an LFD test and the test result is negative, this **does not allow** them to return to school earlier than the 10-day self-isolation period allows.
- Parents, other over 16s and other eligible individuals in households are encouraged to access the vaccination programme
- The [latest NHS/PHE test and trace information](#) has been shared with parents.
- Self-isolation of close contacts will only be undertaken on advice from NHS Test and Trace where they are over 18 **and** have not received both vaccinations (applies from 16<sup>th</sup> August 2021).
- Parents/carers' drop-off and pick-up protocols that minimise adult to adult contact are in place. Parents/carers are instructed not to congregate in groups on, or directly outside the school premises
