Welcome Back: It is lovely to see the children back after the break and ready to learn! We have started the term with a short Book project including some drama activities and reminders of our Heathfield Pledge. Phase newsletters will be sent out next week with all the important information you will need to know for the term. After a busy last few weeks with nativities and parties, we will be settling the children back into normal routines.

We know that this time of year can be tricky in many ways so if you need any advice or support we have a Family Support Worker who can help. If you would like to speak to Amber, she is available Tues/Weds/Thurs.

Scarlet Fever Advice: Please follow this link for advice from the Health Security Agency re scarlet fever symptoms: <https://bit.ly/3FEt6Ad>

Seahorses: Please see the leaflet below on how to apply for a school place if your child currently attends our nursery. The deadline is 15th January 2023.

Jaguars Swimming: Due to a change of time in the pool, the children will not arrive back to school until around 3:30-3:45. Children can be collected or walk home as usual. Please speak to Miss Johnson if you have any concerns or questions. Sorry for the inconvenience. Thankyou. This will start from Wednesday 11th January for the rest of this half term.

Y6 SATS: On the 23rd January, at 3:20pm in the Lion's classroom, we will be having a Y6 SATs meeting to provide you with information regarding the assessments the Y6 children will complete in May. If you are unable to make it, we will also send the information out as a PDF to you, and you can see your child's teacher to arrange a discussion at another time. We look forward to seeing you there.

Y5 York Residential: For one final year, to give the children a chance to experience a residential after the missed previous years, we are offering our year 5s the chance to go on the York residential. We will initially be gauging how much interest there is, and will then confirm places in the new year.

Hopefully, you have received a text with a PDF providing you with the initial information regarding the Y5 residential to York. As well as this, you should have received a text with a form to complete expressing your interest. If not, please access them below here, or speak to the office/class teachers who will be able to support you in getting in the information you need.

Mr Battison

Y6 London Residential: Next year, we are excited to offer the fantastic opportunity to visit our capital city London to more children than ever! We hope to have as many year 6s as possible come so we can have a fantastic whole year group experience to (almost) end their Heathfield journey!

Hopefully, you have received a text with a PDF providing you with the initial information regarding the Y6 residential to London. As well as this, you should have received a text with a form to complete expressing your interest. If not, please access them below here, or speak to the office/class teachers who will be able to support you in getting in the information you need.

New Local Authority Governor: We are pleased to let you know that Basford Ward Councillor, Linda Woodings, will be joining the School's Governing Body. Linda's ward stretches between our two campuses so she has an excellent understanding of our local area and a fantastic knowledge of services, organisations and initiatives that could be of benefit to school and our communities. Linda has worked with school on several projects in the past around cleaner streets, reducing car emissions and road safety and has experience in various areas that will be a benefit to our Governing Body.

Positive Mental Health and Well-Being at Heathfield

This half term we are focusing on our well-being area of

'Take notice'

Next week we will launch our "Take Notice" area of well-being.

Take time to be still, reflect, and become aware of your surroundings. Reflecting on what is happening in the moment will help you appreciate what matters to you.

Be aware of your thoughts and your feelings.

Ask your children to take notice of the world around them and how this affects how they feel. Notice how a sunny, cold day feels physically and emotionally and how this might affect the way we think too!

Nottingham Contemporary

Big Room

Free Family Films

You're invited

Expect a warm welcome, a cuppa and a snack & a family film to enjoy together on the big screen.
