Friday 28th July – Last day of Term

Monday 4th September – 1st day back after the Summer Break

| Monday 24 th July | Tuesday 25 th July | Wednesday 26 th July | Thursday 27 th July | Friday 28 th July |
|------------------------------|-------------------------------|---------------------------------|--------------------------------|------------------------------|
| | - | KS1 Celebration | Y6 Leaver's Party | Y6 Leaver's Assembly |

What's Been Happening in School:

| Year 1 & 2 | I'm sorry I got caught up with bitsThis week some of KS1 have been having fun in Whitby. The rest of us have really missed them. Our maths lessons this week have helped us to revise our learning. We looked at fact families, time addition and subtraction. In English we enjoyed another week of poetry. It has been fun writing our own poems too. We have also been practising for our end of KS1 celebration. We can't wait to see you on Wednesday 26 <i>th</i> . |
|------------|--|
| Year 3 & 4 | We have had such a busy week with more trips and visits! #focusedonenrichment We have all now visited the Tram Depot and learned how to stay safe around the tram and tracks. We also visited Green's Windmill, learning about the historic Nottingham landmark. All of our children met their new class for next year in change around morning. They also had quality talks with their class teacher and peers about transition, worries and things to look forward to. #healthyattitudes Reaching our final week, we will be sending home children's exercise books, so please send your child in with a plastic carrier bag, thankyou! |
| Year 5 & 6 | Another busy week for all children in Year 5 and 6! The Y6s have performed their end of year production to parents twice this week; they have been so fantastic and enthusiastic about their roles and have enjoyed their time on the stage. Thank you for all your support with helping them learn their lines over the past few months. On Thursday, the Y5s went on a trip to the University of Nottingham where they learnt about what life is like for a student. They created their own society, planned a healthy meal, looked inside a hall of residence and budgeted for items/luxuries. As we are coming to the end of term, we will be sending all books home next week. Please send your child with a plastic carrier bag at the beginning of next week. |

Foxes, Badgers and Hares celebration: On Wednesday 26th July KS1 parents are invited to join us for our end of year 'CELEBRATION' assembly. Children from the Badgers, Foxes and Hares classes will be sharing what they have been learning about from the beginning of the year, right up until the end. We have some brilliant songs and photos to share with you. Due to the number of people permitted in the hall we will be performing twice and there will be a limit of 2 adults per child. Performance One will be at 9:10am and Performance Two will be at 2:15pm. We would appreciate if you could let us know if you will be attending and which performance you would like to see. By completeting the attached form https://forms.office.com/e/D9tsG5G50m Alternatively , speak to your child's teacher.

Upcoming events for Year 6 leavers:

- 1. Y6 Leaver's Party Thursday 27th July, 6-8pm. Get ready to celebrate the end of year in style with our leaver's party. Children do not need to come to the party with anything, just party-ready! Food and drink will be provided.
- 2. **Y6 Leaver's Assembly** Friday 28th July at 2:15pm. Please join us to say goodbye to the Year 6s during our celebration assembly. Parents/carers are invited to watch and then take their child(ren) home afterwards. Our celebratory walk for the Y6s will take place on the KS2 playground at the end of the assembly for them to have their final(!) walk of honour through Heathfield.

Any questions, please speak to a member of the 5/6 team!

<u>Y5&6 RSE</u>

Next week, Y5&Y6 will be doing their final statutory RSE lessons on **TUESDAY 25***TH* **JULY**. They will be done boy/girl mix (although there will be a chance for a separate question session at the end of the day). Y5 and Y6 will be taught separately.

Y5 will complete two lessons:

1. Changing bodies and feelings (when going through puberty). This will include labelling external body parts, and dispelling myths from the truth in regards to emotions during puberty whilst also recapping periods and products children may wish to use during puberty.

2. Help! I'm a teenager – get me out of here. This lesson will focus on mood swings, and how children may wish to become more independent as they grow up.

Y6 will complete three lessons:

1. Pressure online. This will focus on how to deal with pressured and risky situations (particularly online where the risk is much higher in modern society). We will revisit bullying, and things that should remain private including their bodies.

2. Helpful or unhelpful? Managing change. We will focus on the general changes happening in their lives currently and how they may wish to deal with them, whilst also considering how they may wish to deal with any future challenges they may face generally or as individuals.

3. Is this normal? Much of this will revisit previous years' learning regarding puberty including physical and emotional changes. The lesson intends to ensure children are as prepared as possible, and to know to seek support when they need it.

Y6 may also receive an additional non-statutory lesson if you have given your permission on the form that was sent by text. The form can also be found here if you missed it: <u>https://forms.office.com/e/GDAp3TefxR</u>

Please speak to one of the UKS2 teachers if you have any concerns regarding these sessions.

Any questions, please speak to a member of the 5/6 team!

<u>Changes to roads, parking and signage around Scotland Road:</u> Following concerns raised by the school council Nottingham City have drawn up initial plans to improve the safety on Scotland Road by changing the layout of the roads, changing the parking bays and improving signage and road markings.

You can see a plan of the changes below and a bigger version by clicking on this link – proposed plans

The main points of the proposed changes:

- Large 20mph markings on the road at entry points to roads around Scotland Road
- Raised traffic calming plateau outside school entrance
- Swapping of parking bay and bus stop outside the front of school
- Top half of White Road changing to a one way road

Please click on this link to a letter to local residents from Nottingham City Council regarding the changes and outlining how you can share your views on the proposed plans – <u>consultation letter</u>

I have already spoken to the council and requested that additional 'School Zone' signs are positioned at the immediate exit from the Ring Road and at the entrance to Scotland Road.

Breakfast and After School Club change of Name: To make sure that Breakfast and After School Club are seen as one organization, we will be renaming our before and after school care 'Lighthouse Club' from September. We've even got a snazzy new logo!

We would love pupils to create some artwork around the theme of 'Lighthouses' that we can frame and display in the Lighthouse Club. The work needs to be A4 portrait and able to fit in a frame.

<u>Music Lessons 2023 - 2024 at Heathfield.</u> At Heathfield we are proud to be able to offer children the chance to continue learning musical instruments for free in year 5 and 6. From September we will be offering guitar lessons or children can continue with the instruments that they have learnt in year 4 (violin, viola and cello).

At Scotland Road, guitar lessons will take place on Thursday from 3:15 - 4:15. Your child would be part of a 20 minute group lesson with the rest of the hour being used to practise. They would not leave until 4:15 as we do believe that practise is valuable.

At Scotland Road the strings lessons will take place on Fridays from 3:15 – 4:15. Again with a 20 minute group lesson with the rest of the hour being used to practise.

In addition, there will be the opportunity to take part in Area Band – a weekly strings practise group that comes together with musical ensembles from other schools for half-termly practices and termly concerts.

Please fill out this form to indicate if your child would like to continue learning an instrument. There is no guarantee that they would get the position, as it will be based on a first come, first served basis.

As we anticipate demand to be high, if children miss more than two lessons a term, their spot would be given to another child on the waiting list. https://forms.office.com/e/s2JkxuxNgA

<u>Music Performances during Star of the Week:</u> Is your child a budding singer? Do they play an instrument at home or in school? As a school we would love to have more opportunities to hear and celebrate musical talent at Heathfield. After Easter, during Star of the Week assemblies on a Friday, we will be having short musical performances so if your child would enjoy playing some music for people to listen to, then please let us know. It doesn't have to be long and can be in a small group. If your child is interested, please ask them to contact Miss Wilson at Scotland Road or Miss Hunt at Kersall Drive who will organise it.

<u>Relationships, Health and Sex Education (RSHE)</u>: As you will know we have been in the process of reviewing our RSHE curriculum and have engaged parents/carers through online surveys and in person meetings at each campus. Now that the consultation is complete we have reviewed the feedback from stakeholders and have settled on a set of resources that we will use going forward.

From our survey we were pleased that the majority of respondents were happy with the resources shared, however we did receive feedback from families on a few specific elements which were then given further scrutiny and consideration. Having shared this feedback with a cross section of staff from school we have decided to make a slight change to the resources initially shared, this will take the form of the removal of two statements from Year 5 activity sheet c) points 7 and 9 (you can find the original resources here https://bit.ly/30psset).

In addition to this, we will also be including a review lesson at the end of each unit in which boys and girls are taught separately and given the opportunity to ask any questions or review any of the subject matter they have been taught that half term.

To ensure parents/carers are fully aware of when RSHE sessions will be taking place and the content being covered we will include this information in our weekly newsletter. This will hopefully allow parents/carers to be better prepared should their child come home with any questions.

We do appreciate that we won't ever be able to please everyone in our community but would like to reassure parents/carers that our primary aim is to keep children safe and this is the foundation of our decision making.

Thanks again to everyone who engaged with the review process and ask for your support with the decisions that have been made.

<u>Online Safety:</u> There have been occasions recently where it has come to light that children have either caused concerns about their own safety online or have been victim of online abuse outside of school hours. This has been over social media (Snapchat, TikTok), messaging services like Whatsapp or through online gaming. We deal with these incidents as safeguarding concerns and this therefore needs **parent support to understand what your role is in protecting your children online**. Follow this link to sign up to a FREE useful newsletter: <u>Parent Guides | Skips Safety Net (skipseducational.org)</u>

WHATS ON IN THE HOLIDAYS

Grow, Cook and Play sessions

Family fun for all ages, including gardening, cooking and environmental fun. £1 per child, or
