We have worked in partnership with Book Wagon (an independent bookseller who helps support us with 'Rainbow Reading' each year) to offer a discount to all families. We have put together a list of some excellent new books – **all with a 25% discount** for our Heathfield community. Please follow this link to find out more and order! <https://tinyurl.com/4w743vp3>

Heathfield Football Club News

Opening Day Defeat Cantrell 2-0 Heathfield KD

'The Mighty Yellow' return to league action with Generation 4, taking over the helm of responsibility left by last years galacticos.

Featuring two players from last year, The Yellow slipped to a 2 goal defeat, to a strong and big Cantrell. Despite the result, management were pleased with the performance, with man of the match Rehoboth shining bright on his debut.

We go again next week. Up the Yellow!

From your reporter in the Field Mr Leivers.

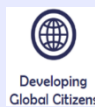

Positive Mental Health and Well-Being

This half term we are focusing on our well-being area of **BE Active**.

Being active is for people of all ages and does not need to be intense physical activity. Being active can also encourage social interactions and build connections. Joining in with activities such as football, netball, tag and basketball also helps you to get along with others and learn to work well as a team.

Why not share some activities you enjoy with your children to be active together; taking a walk or cycle through the park, to swimming or climbing trees, play is a great way to have fun and keep fit!

EYFS

This Week... F1 have been enjoying the story *Wow Said the Owl* by Tim Hopgood. We have found a pass the parcel full of different coloured items linked to the colours the owl sees in the story. We have also learnt about Bonfire Night, Diwali and Remembrance Day. We have drawn firework pictures, moulded clay Diva lamps and created our own poppies.

F2 have begun their new topic, Colours, thinking about all things fireworks. We have read firework poems, created our own word bank of firework noises and created our own firework poems. We have also drawn firework pictures on the Ipads. Finally, we have learnt about Remembrance Day and held a minutes silence in class.

Next week... F1 will continue to use *Wow Said the Owl* to learn about rainbows and colours. F2 will begin to learn about mixing primary colours. We will use the story *Monsters Love Colours* by Mike Austin to understand how to mix colours to make new ones. We will also learn about 2 artists, Kandinsky and Pollock.

Both F1 and F2 will celebrate Children in Need on Friday and try some Pudsey Bear challenges.

KS1

This Week... we launched our new topic 'Toy story' in a very exciting way. We had the 'Toys in school' visit us and each child was given the opportunity to make a traditional wooden toy using different tools. This toy will be able to come home for Christmas once we have evaluated making them.

We also started our new unit of English and both Year 1 and 2 have been looking at clips from the 'Toy story' films. Year 1 have been writing labels and sentences about the interesting characters and Year 2 have been immersing themselves in the new vocabulary related to the story.

Next Week...

It is anti-bullying week so we will be looking at ways of being a good friend in our PSHE lessons and on Monday the children are welcome to wear odd socks. On Friday it is Children in Need again we will be covering ways people are different in PSHE lessons. Children are welcome to wear spotty or yellow clothes on this day.

Year 3/4

This Week... year 3 and 4 have been celebrating Black History and have learnt about the Civil Rights Movement. We have been researching Rosa Parks and Martin Luther King Jr and their role in the Montgomery Bus Boycotts in 1955. The children have written some impressive newspaper articles about Rosa Parks refusing to move from her seat on a bus and how her actions have changed the world. In History, we have looked at other influential black people including Marcus Rashford, Barack Obama and Serena Williams and we have thought about what impact they have had. In Art, we have created inspirational posters about the people we have researched this week.

Next week...

we will begin our topic 'The Tudors' and will learn about Henry VIII and his six wives!

Year 5/6

This Week... Y5/6 have returned with incredibly mature and focused attitudes which has been wonderful to see. In maths, Y5 have begun their work on the four operations focusing on addition whilst Y6 have been continuing multiplication and division. They also enjoyed a Kahoot quiz to start the week revising the previous terms learning. In English, we have begun our new class text - *Letters from the lighthouse* - and spent time looking at different news outlets in order to see how journalists write. This will help us over the coming weeks where we will be writing a news report. Different classes have started different subjects but will soon be fully immersed in our new WWII topic learning about the history of the war, and creating propaganda posters inspired by those at the time.
