School Fair Donations

We are starting to collect donations for this year's summer fun day that will be held in July.

If you have any unwanted, new and unused gifts, toiletry sets or beverages, we would be grateful if you could donate them for this year's raffle and tombola stalls. Thank you!

Whole School Attendance: 93.2%

Year 5 Sleepover sign up now available on the Arbor app!

Information: <https://tinyurl.com/5t2m4jba>

OV4 forms will be sent out after the holidays for you to complete if you sign up.

Take Away Thursday

Come and join us for tea, coffee, biscuits!

This is a great chance to come and have a chat with us and 'take away' some information and school uniform.

For further information, contact Mr Battison

Where: Kersall Drive Hall
When: Thursday 6th June
Time: 8:45

FREE tea, coffee, biscuits, uniform

Conkers Trip

Focused on
Enrichment

Thank you so much to everyone who has consented on the Arbor Parent app for the Conkers Trip.

We have also been inundated with parent helpers - thank you! Class teachers will be speaking to parents whose names have been picked out to come with us. If your name was not chosen this time, we will certainly be considering you for any future enrichment opportunities! Thank you again, we could not attend these trips without your support.

Y5/6 Rounders Club – Fridays @3.30-4.15pm

This half-term
we are focusing on
our well-being area
of 'Keep learning'

Children learn so much from their family – what we do, how we speak to each other and how we treat others all influences our children's attitude towards learning.

Making learning fun is a sure way we get our kids to enjoy their learning journey.

When we are engaged and motivated, we make connections, and experience “aha” moments. Such learning comes from experiences with an atmosphere of joyful discovery.

EYFS

This Week... F1 have been planning their party. We made party hats inspired by the hat Cake wears in the story. We have made our own sponge cakes from a recipe, and big thanks to our school kitchens for lending us their ovens to cook them! We have had a wonderful time today playing games and eating our cake. In F2, we have been learning all about different environmentalists including David Attenborough, Hamza Yassin, and Greta Thunberg. The children have taken on a challenge and written a fact file about a different person every day. They have produced some brilliant writing! We have also done our end of topic quiz, and have been amazed at how much information the children have retained.

Next half-term...

both F1 and F2 are excited to get stuck into our Shakespeare fortnight. We will be learning about Romeo and Juliet, focusing on the theme of love and enemies and learning some simple quotes from the play.

KS1

This Week... Key stage 1 have been super busy this week! We have been completing our individual book weeks in our classes. This has meant we have had the opportunity to complete a variety of different tasks such as poster making, researching on iPads, cooking, storytelling and lots of amazing artwork! We have also had a look at lots of PSHE lessons, thinking about ourselves, our feelings and the world around us. We have assessed our clay dinosaur sculptures. We thought about the things that we did well and what we would change if we made them again in the future. We have had the opportunity to consolidate our learning in maths ready for assessment week when we return in Summer 2. Year 1 have been consolidating their knowledge on fractions and position and direction. Year 2 have been looking at time, thinking about o'clock, half past, quarter to and past.

Next half-term...

we will be beginning our Shakespeare fortnight! We will be learning all about Romeo and Juliet. We will also have assessment week when we will be looking at everything we have learned in English and maths throughout the year.

Year 3/4

This Week... We have had a busy last week of half term! Parrots and Falcons had their class assemblies - thank you to the parents/carers who could attend and celebrate their learning. A small group of Year 4's went to Harvey Haddon's Sports Complex to participate in a handball festival. Miss Jeremiah was so proud of them because of their enthusiasm and trying hard. There were lots of other Nottingham schools who took part too, enjoying the enrichment. In class, we have been finishing off our History work, designing computers based on what we know already about advances in technology. We have also been completing designing our own video game packaging for Design and Technology.

Next half-term...

The Year 4 Multiplication Check will be completed on the first week back, along with our summer assessments for Reading, Grammar, Spelling and Maths. We will also be celebrating Shakespeare's Romeo and Juliet in the first two weeks with the whole school.

Year 5/6

This Week...

Year 5 have worked hard this week practising their assembly, and performing it to the whole school and the parents - thank you so much for those who came. They've also been working really hard on their decimal knowledge focusing on converting fractions into decimals. Year 6 at Scotland have returned back to ratio now SATs prep is over with us looking at how to calculate problems using ratio whilst KD have been doing money-related mathematics linked to NatWest. Some classes have been completing their persuasive writing pieces whereas others have been developing their knowledge of the Shang Dynasty further, or exploring the art style of Manga. Y6 at KD also got to experience an individuality workshop.

Next half-term...

Shakespeare fortnight studying Romeo & Juliet.

Assessment week to see the progress children have made since their last assessments.
