### **PARENTS' EVENING** **– WEDNESDAY, 26<sup>TH</sup> FEBRUARY**

Reminder to book a Parents Evening appointment with your child's teacher through the Guardian Consultations on the Arbor app. Only half of all parents have done this so far. Parents Evening is on between 3:30-7pm. It is important that you attend to find out about your child's progress half way through the year.

**There will be a Book Fair in each hall on the night - nice for a little reward! Cash and card payments will be accepted. See you there!**

### World Book Day – Thursday 6th March

We're excited to celebrate World Book Day! Children can come to school dressed as a book character, in their pyjamas, or simply in something comfy – no need to spend lots of money on a special costume. We'd also love for children to bring in a favourite book from home to share with their class, and teachers will be doing the same!

This year, we're holding a fun competition: children can decorate a potato as a book character! The best entry from each phase will win a prize, so get creative!

Throughout the day, we'll be enjoying lots of reading for pleasure, making it a fantastic celebration of books and stories. We can't wait to see everyone getting involved!

### Early Birds FREE breakfast club

**Starts at 8:15am - doors close at 8:30am.**

Children should be accompanied to the door by a parent/carer. Children arriving at 8:30am or later will have to wait until classroom doors open as they will not be able to attend Early Birds. Classroom doors open from 8:40am and the school day starts at 8:45am. ALL children should be in school by this time. Any late arrivals after 8:45 are to be signed in on the screens at the office by an adult.

### **National Child Measurement Programme**

On Tuesday, 25th February 2025, school nurses are coming to measure the height & weight of Reception & Year 6 children as part of the National Child Measurement Programme. Please follow this link for the letter containing all necessary details. <https://tinyurl.com/3jjdvbve> Please contact the school if you **DO NOT** want your child to take part.

### Head Lice – Important Reminder

Please **check your child's hair regularly** and treat it if you spot any signs of head lice. Combs and treatments are available from pharmacies or supermarkets. Thank you for helping us keep head lice under control!

### Year 1/2 trip

We are excited to inform you that we will be visiting the Butterfly House in Sheffield as part of our preparation for the upcoming Summer 1 term topic, 'Habitats'.

- **SR Trip Date:** Wednesday, 27th March
- **KD Trip Date:** Thursday, 28th March
- **Contribution from parents:** £8
- **Timings:** All-day trip, with children returning at the normal school time (traffic permitting).

Please return your form regarding **packed lunches** as soon as possible. Thank you for your support!

### Year 4 Hagg Farm Residential

Places have now closed for the residential. Thank you if you have booked. You should all have received a parent/carer pack, along with an OV4 form, dietary and boot size list. **Please return to the school office as soon as possible.**

If you have any further questions, ask at the school office and Mrs Wellsman or Mr Charles will be able to assist. Thank you

### **Wellbeing at Heathfield**

This half term we are focusing on our well-being area of

**'Take Notice'**

### **Find 6 differences**

Taking Notice is being aware what is around us and how we feel inside. At school the children have been encouraged to spot different things around them at school and also increase their knowledge of different feeling words.

Increasing our emotional vocabulary, can help us to explain the size and intensity of our feelings.

Have a wonderful half term break and we will see you for our next well-being focus of 'GIVE'.

## Nursery & Reception

### This Week...

F2 have found tiny caterpillars in all different places around their classroom and talked about where they have found them. They have also been writing simple sentences about where the caterpillar is.

F1 have been thinking about who they love and making special Valentine's Day cards. They have also been describing the similarities and differences between the Gruffalo and Gruffalo's Child.

### Next half-term...

F2's new topic is Seasons and F1's new topic is Eggs.

We look forward to seeing all parents at Parents Evening too.

## Year 1/2

### This Week...

Key Stage 1 have been finishing their retells of 'I don't want to be small'. We have really enjoyed this story and loved finding the rhyming words. In maths, year 1 have consolidated their Mass and Volume learning. We have learned all about the differences between volume and capacity. In year 2, we have moved onto our Money topic and we have practised counting pounds and pennies. In our topic lessons, we have completed our end of unit science quizzes and looked at skeletons in art. We have also thought about all of the amazing people we have studied throughout our Bodies topic.

### Next half-term...

we are looking forward to seeing you at Parents Evening!

We will begin our Spring 2 topic of 'Weather'.

## Year 3/4

### This Week...

we have been completing our persuasive adverts about Magna. The most superb superlatives and thoughtful rhetorical questions were used to hook people in to visit! We can't wait to share them with you at Parents Evening.

In Maths, we have been finishing our multiplication and division units, using mental, formal and efficient methods. Test us on our multiplication fluency!

### Next half-term...

Now our Powerful Forces topic has come to an end, we will be moving on to the Stone Age to Iron Age in the next half term. Look out for our topic overview, knowledge organisers and homework.

## Year 5/6

### This Week...

Year 6 have had a busy week doing their first full set of practice SATs papers. This is really useful for us as teachers to identify gaps and decide where our support is needed most.

Year 5 have been working on division, or fractions in maths - two massive topics for this year group that will help them be Y6 ready.

Amazing artwork has filled the classrooms this week with the children completing their final Lowry street scenes, and there's also been lots of electricity learning going on in Science.

### Next half-term...

Y6 SATs boosters start (straight away from the first Monday back).

We look forward to seeing you at parents' evening!

# Leave of Absence and Unauthorised absence

Changes from August 19<sup>th</sup>

## IMPORTANT INFORMATION FOR PARENTS

As you know, attendance is a high priority at Heathfield and greater emphasis has been placed on it by the government. Firstly, I'd like to thank you for ensuring we have good level of attendance.

I would like to highlight new statutory attendance guidance from the Department for Education which comes into effect from the 19th August, 2024.

### Key Changes:

#### Five Consecutive days

Penalty Notice Fines will be issued for Term Time leave of 5 or more consecutive days, inset training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

#### Ten sessions (or 5 days) of unauthorised absence in a ten-week period

Penalty Notice fines will be considered when there have been 10 sessions (or 5 days) of unauthorised absence in a 10-week period

#### First Offence

The first time a Penalty Notice is issued for Term Time leave of irregular attendance the amount will be:

£160 per parent, per child if paid within 28 days

Reduced to £80 per parent, per child if paid within 21 days

#### Second Offence (Within 3 years)

The second time a Penalty Notice is issued for Term Time leave or irregular attendance the amount will be £160 per parent, per child paid within 28 days

#### Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed for Term Time leave or irregular attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates' Court can show on the parents future DBS certificate, due to a 'failure to safeguard a child's education'.

The second time a Penalty Notice is issued for Term Time leave or irregular attendance.
